

Company Announcement

Finlay has further added to their product offering through a new partnership with Oxford based Colourful Coffins. This new partnership will see Finlay providing a range of Picture Coffins to Funeral Directors throughout the island of Ireland.

Finlay Operations Manager John McArdle said of the announcement that “We are very pleased to add this unique offering to our product range. We see our Picture Coffin Range as helping to meet the increasing requirement for a more individual coffin choice. We offer our Colourful products on a same / next day basis and can supply any Funeral Director throughout the island”

Finlay can be contacted at:
